PROPOSAL FOR A COUNCIL REGULATION (EEC)

providing for a reduction of Customs duties applicable to  
imports into the Community of certain agricultural products  
originating and coming from Yugoslavia

(presented by the Commission to the Council)

COM(82) 474 final

# EXPLANATORY MEMEORANDUM

---

Since the entry into force, through an Interim Agreement, of the Cooperation Agreement EEC/Yugoslavia, difficulties have arisen in trade for the products under headings 08.07 C ex I, ex II, 08.10 ex D, 08.11 ex E, which have allowed Yugoslavia to benefit only partially from the tariff concessions laid down for these products under Article 21 of the Co-operation Agreement (1).

In these conditions, the Commission takes the view that it is advisable to reduce the customs duties on these products originating and coming from Yugoslavia.
